

## Introduction to QIS Online CE Seminar

**Presenter:**

Judy Hoff, RN, BSN, MA, Over 20 years experience in long-term care and education.

**Planning committee:**

Collette Mathern, RN, BSN, CDONA, CLNC

Cindy Hickman, RN, MSN, DON

**Target audience:** Registered Nurses and LTC Administrators

**Purpose:**

Resident focused care is at the center of our work in long-term care. QIS promotes resident centered care through one to one interviewing. This seminar focuses on resident centered care.

Healthcare Academy invites you to participate in an online continuing education program\* focusing on the new Quality Indicators Survey (QIS).

During this seminar, we will discuss how the QIS differs from the traditional survey process, current status of implementation, the different stages, feedback and how you can prepare your staff for the survey.

Note: This is an overview of the process and not meant to be a comprehensive preparation for QIS.

**Objectives:**

At the completion of this seminar, you will be able to:

1. Define QIS
2. Describe the QIS process
3. Define Mandatory Tasks, Triggered Tasks and Critical Element Pathways
4. Develop a plan of education for staff in preparation for the QIS

**Dates:**

August 11, 2009 @ 10:00 AM CST

August 12, 2009 @ 10:00 AM CST

September 8, 2009 @ 10:00 AM CST
